TO : Chief, Intelligence School

DATE: 26 February 1958

FROM : Chief, Orientation Faculty

SUBJECT: Weekly Activities Report #8, 19 - 25 February 1958

1. Summary:

1. The schedule for Intelligence Orientation #19, beginning 3 March is now complete.

2. [] visited the Signal Center, O/C, to discuss the possibilities of running a part-time orientation course for Commo personnel.

2. Significant Items:

[] Chief, Signal Center, and other Commo officials on 23 February to tour the Signal Center and to discuss the possibilities of conducting a part-time orientation course in "L" Bldg, for Signal Center personnel who cannot be spared from their jobs for more than 2-3 hours a day. The Signal Center officials would prefer a course of about 18 hours, running 3 hours a day, 3 times a week over a two week period. We made no commitments, but agreed to meet again soon with the Signal Center group with a definite proposal, after appropriate discussions within OTR.

3. Other Activities:A. Intelligence Orientation

1. The schedule for I. O. #19 is now complete. We are not introducing any major changes in the course next month, but are continuing the noon-time area orientation movies, which most students endorsed in their last critique. As of this date, 67 students are enrolled in the next course.

[] is making some further improvements to the [] for the first time in the last course.
